

Permanent Forestry Opportunity

Conifex Timber Inc. – through astute strategic acquisitions and strong leadership – is emerging as a major national player in the forestry and sawmilling industry. Operationally, our approach is to blend state-of-the-art technology with the expertise of people who believe in the value of excellence. Together, we can achieve our vision to become a premier forest company.

Our Mackenzie location is now accepting applications for a:

Forestry Supervisor - Harvesting

Reporting to the Fibre Superintendent, the successful applicants will play a significant role in meeting Conifex's timber harvesting and road construction objectives.

Our ideal candidates:

- will have a background that includes three years of timber harvesting and road construction supervision experience
- is registered, or eligible for registration as a forestry professional in BC
- can demonstrate competencies in leadership, project management, communication, and the practice of professional forestry
- has experience using Microsoft Office (Outlook, Word, Excel) and Cengea Resources (GENUS) forest management system (or similar software)
- is physically fit to endure field work

If you are interested in this position please email or fax your cover letter and resume with references, in confidence, to Mark Pride, RPF – Fibre Superintendent. Applicants with lesser qualifications may be considered for other positions, so we encourage all interested foresters to apply. We thank you for your interest in this position; however only those selected for interview will be contacted.

Applications will be received via email: mark.pride@conifex.com or fax: 250.997.2740 until **Friday, February 17th, 2012 at 12pm PST.**
